

## **24/52 Clerk's Report September 2024.**

Have been busy with the usual administrative work as the clerk as well as the following:

### **Worcestershire CALC AGM on Thursday 26 September 2024.**

We will start with our **Market Place**; a fantastic opportunity to engage with partner agencies and meet representatives of other member councils, at **5:30pm** in the **Committee Room**, followed by the commencement of the **AGM** at **7:00pm** in the **Chamber**. All members are invited to attend.

**Worcestershire CALC Training.** CALC have a new schedule of training for the months of September and October. Event Categories ([worcscale.org.uk](http://worcscale.org.uk))

**Berryfields Mowing.** The Clerk and Cllr Burrows attended a site meeting with the contractor on 2<sup>nd</sup> August regarding the state of the grass. It was agreed to get the field topped at no expense to the council to bring the grass into a better condition. See photos. This will be monitored.

**Broad Green** Clerk has been in contact with Richard Nash to discuss the annual cut at Broad Green in accordance with Natural England stipulations. He is scheduled to get the cut done next week weather permitting. Ongoing.

**Bin Damaged at Laylocks Layby.**

Damaged bin has been reported to MHDC for repair, awaiting a response.

**PROW at BS-522 footpath**

Overgrown vegetation on the BS-522 footpath has been reported to WCC awaiting a response.
