Dear Broadwas and Cotheridge Parish Council,

I am responding on behalf of Deputy Chief Constable Richard Cooper, as his staff office, in relation to your letter dated 26th July 2024 over your concerns about the risks and hazards posed by the A44 which passes through your parish.

I have liaised with our Road Safety Team who has stated that the Senior Traffic Management Advisor for South Worcestershire is meeting with Worcestershire County Council regarding the concerns you have raised, and following this an update will be provided directly.

I have every confidence this is now being dealt with by the correct team who have the ability to liaise with partners to address the concerns.

Yours Sincerely,
