

Broadwas and Cotheridge Parish Council

Report for Agenda item 26/64 - 15.4.26

Re Chairs Report

Since the last meeting held on the 11th March I have undertaken the following

- Liaised with the Clerk in respect of agreed actions and planning matters
- Liaised with our District and County Councillor
- Acted on agreed actions from last meeting
- Responded to a number of enquires and requests from parishioners
- Met with our NDP consultant and members of the working group
- Liaised with AECOM re draft Design Guide
- Submitted an EOI for MHDC Defibrillator scheme

Progress re current Parish Council priorities are addressed in the relevant reports for agenda items.

Preparations are in hand for the Annual Parish Meeting on the 6th May. This allows for the Parish Council and parishioners including other organisations and groups, to share information about achievements and to think about what might be important for the future.
